pâle regard

Label: Dirty Melody Records

Genre: lo-fi junk pop

Influences: Durutti Column, Whitest Boy Alive, infinite bisous, Air, Serge Gainsbourg, Sébastien Tellier

Bio: Pâle regard's music isn't happy. Pâle regard's music isn't sad. Pâle regard's music is melancholic. The band distils its sound in a delicate mix of velvet lofi vibes, languid lyrics and a myriad of synths giving them a unique sonic trademark. The band will release their almost-anticipated 2nd EP 'Terrain vague' by January 2020
